OUR HAPPY CLIENTS

"This holiday season we decided to make custom macaron boxes for our clients and I cannot express enough what a HIT they were! Our clients have not stopped raving about not only how delicious and stunning the boxes that they came in are. I worked with the team directly on designing our custom sleeve for our boxes and they exceeded any expectation we could have had. I highly recommend these to anyone looking for a beautiful gift!"

- Catherine from Tier 1 Abstract

"We worked with Woops! to order macarons as a corporate holiday gift. The entire team went above and beyond to make our gifting experience a success. The macarons themselves are second to none - amazingly delicious. The packaging was very classy & the team worked with us to prepare a custom branded sleeve and card insert. The hand-delivered personalized service was a great touch. I would definitely recommend them for corporate gifting."

- Candace from Fiera Capital
